

E-T-A

Packing Instruction.

All deliveries sent to E-T-A have to comply with the following packing instruction:

Max. carton size: 465 x 315 x 185 mm (outer dimensions).

Max. carton weight: 15 kg.

Each carton has to carry a label on the left side of the front wall which has to show the following information:

- Manufacturer / supplier
- E-T-A part number plus index
- Quantity
- Manufacturing date
- Material
- Delivery date
- Reference weight

Only the currently valid label must be visible on reused cartons.

Recyclable packing material, CFC-free, sulphur-free, ammoniac-free, has to be used.

Styrofoam fillers must not be used.

Delivery documents have to be enclosed with the goods visibly and completely with all ordering information.

Any deviation from this instruction has to be agreed upon with E-T-A.
